

### **Exhibitor's Statement of Responsibility – Video WORKPLACE SAFETY**

I, \_\_\_\_\_, legal representative of the company  
\_\_\_\_\_, exhibitor at the event  
\_\_\_\_\_, hereby declare, for all due purposes,  
that I have watched in full, together with the entire team involved in the booth assembly,  
operation, and dismantling, the informational video on Workplace Safety made available by the  
event organizers.

The video provides guidance on risks and safety procedures related to booth assembly and  
dismantling activities, as well as internal event regulations and best practices for accident  
prevention.

The video is available on the Exhibitor Portal at:

 **portalnmb.com.br > event logo > “Informative Video” button**

I declare that I am aware that:

- The video must be watched only by exhibitors who will be physically present during the booth assembly activities;
- Submitting this statement does not exempt the assembly team (suppliers, service providers, or contracted third parties) from complying with the legal obligations related to the applicable Regulatory Standards (NRs);
- I understand and commit to following all safety guidelines presented in the video and in the event regulations;
- I am aware that failure to comply with safety standards may result in penalties in accordance with the event regulations and current legislation.

In witness whereof, I sign this Statement of Responsibility so that it may produce its due legal effects.
